What to look for:

Detailed Directions:

When attending a booking with Rhonda's Readings, you will be required to make your way to the following address: 78, Woodfords Road, Reserve Creek, NSW.

Please do not rely on being able to ring me for assistance with directions as I am not contactable during working hours.

Also please do **NOT** use Satnav devices as some roads in the area are no-through roads.

If you are coming from **Cabarita Beach** via the **Tweed Coast Road**:

- Enter **Rosewood Avenue** from **The Tweed Coast Road**
- (Travelling approx. 2 kms) through the roundabout **Rosewood Avenue** becomes **Clothiers Creek Road**.
- (Travelling approx. 6 kms) you then turn left at, **Watty Bishop Road**
- (Travelling approx. 2 kms) Follow the road up to the T - intersection, which is **Round Mountain Road**, it is marked with a sign pointing to Murwillumbah to the right.
- Turn right and travel approximately 4 kms on Round Mountain Road which starts on a made road through the cane flats but banks to the left into dirt, winding road until coming to the T - intersection, which is **Reserve Creek Road**,
- Turn right, follow for approximately 500 metres to **Woodfords Road** on the right-hand side.
- When you have entered **Woodfords Road** you will not see any houses, only horse paddocks,
- Travel 900 metres up the road, driving over the creek crossing, you will then arrive at a T-intersection, (which is still Woodfords Road)
- Do not turn left, do not turn right, directly in front of you will be a large gum tree with a fairy sign with **78** on the fence to the left of it and just to the right of it, a gate with the number **78** and a fairy on it. (there is also a gate post to the right with the brass number **78** on it)
- If you arrive early for your appointment, please **Do Not** drive through my gate and down my driveway until **5 minutes** before your appointed time. Please wait in your car, up the top near the gum tree to the left of our driveway, and then drive

down my driveway **5 minutes** before your time. I have buzzers and cameras and will know you are there, so please wait in your car and I will come out and greet you.

- I ask again, that you please print these directions off, as Navman's or other GPS devices, may take you to blocked roads around here, and you will not be able to contact me for directions.

Magical Blessings, 

Rhonda
